## Good Morning Church,

I know I embarrassed Angela Doidge last Sunday by asking her to stand - but wasn't it great to recognize her as she just attended her senior prom the night before. By the way, **congratulations** to all of our graduating seniors and their parents. Please enjoy this time - it only comes once. Graduation, a difficult concept to imagine when you started as a freshmen, will soon become a reality. I remember high school like it was yesterday (o.k., maybe a lot of yesterdays ago). Oh, to be young again.

I know your parents are proud - and also your **"church" parents**. I use the term "church" parents with fondness. It is the faithful men and women who invested their time to teach you about Christ, his wonderful forgiveness and how much he really loves you, as you were attending nursery, Kidblast, Student Ministries, VBS, etc.

It does take a community of volunteers to run our **Children's and Student ministries**. For those of you who continue to volunteer - thank you. For those who are considering volunteering - please call our Director of Children's Ministry, Kelly Redway (287-2771 or [kids@crosscreekchurch.us](mailto:kids@crosscreekchurch.us)), and our Director of Student Ministries, Shane Fowler (302-2533 or [shane@crosscreekchurch.us](mailto:shane@crosscreekchurch.us)).

By the way, I mentioned this last week - but we really do need your help for our **Vacation Bible School** that runs from June 22-26. Call Kelly.

See you Sunday as we continue to talk about **"Serving in Community."** This week it will be about "unleashing your potential." Come early, at 9:30 am, to hear Jim Olive teach on "Discovering God's Way of Handling Money."

May you have a blessed Memorial Day weekend as we remember and pray for the men and women who have served and continue to serve our country.

Pinch hitting for Chuck,

**Jan**
